

Foundation Ministries' PRISON BIBLE SCHOOL

CHURCH \ VOLUNTEER AGREEMENT

We, the members of _____ (church name)
do agree to take The Prison Bible School on as a ministry of our church, and do whatever work is required
to offer the Bible Institute to inmates at the:

_____ (prison name)

We agree to copy all materials, grade the study guides, and supply such to the inmates on a regular basis.

We understand that one person from our church must go to the prison at least once a month (approximately
one hour) to pick up study guides and replace any materials needed.

We understand that one person from our church will be allowed to take the Bible Institute free of charge
(three year Graduate of Theology Degree). However, if that member quits at any time he will not be
able to enroll at any time in the future.

We understand that any other church member who wishes to enroll as a student in The Prison Bible School
must contact the school directly.

We promise that our church student will never grade any study guides or have access to the score keys
in any manner.

We agree that should our pastor or the person taking the Bible course leave, the church will do all that is
possible to continue this ministry in the prison.

We agree that at least two other church members, aside from the person taking the Prison Bible School
course of study, will help facilitate the ministry at the prison in case the church student is not able to do so.

We agree to send a check in the amount of \$100.00 as a deposit, made out to Prison Bible School, along
with this document, and understand that it will be fully refunded after the third unit of study is completed.

We agree as a church to prayerfully consider supporting Gulf Coast Prison Ministries on a regular basis.
We understand that this is not a requirement, but rather a prayer request that we will honestly petition the
Lord Jesus Christ about.
